

# Akitoshi NAKANO

Position	Assistant Professor
Lab/Group	Laboratory of Condensed-Matter Physics of Functional Materials (V Lab)
e-mail ※	nakano.akitoshi{a}f.mbox.nagoya-u.ac.jp

※replace {a} by @

## Education and Degrees

March, 2014, *B. Engr.*, School of Engineering, Nagoya University

March, 2016, *M. Engr.*, Graduate School of Engineering, Nagoya University

March, 2018, *Ph.D.*, Graduate School of Engineering, Nagoya University

## Positions

January, 2019 - present, *Assistant Professor*, Department of Physics,  
Graduate School of Science, Nagoya University

## Research

Research of new, interesting and useful compounds based on condensed matter physics and structural analysis using X-ray diffraction experiments.
