

Masayasu HARADA

Position	Professor
Lab/Group	Quark-Hadron Theory Group (H Lab)
e-mail ✕	harada{a}hken.phys.nagoya-u.ac.jp

✕replace {a} by @

Education and Degrees

March, 1988, *B.S.*, Department of Physics, School of Science, Nagoya University

March, 1990, *M.S.*, Department of Physics, Graduate School of Science,
Nagoya University

March, 1993, *D.S.*, Department of Physics, Graduate School of Science,
Nagoya University

Positions

July, 1993 – March, 1995, *JSPS Research Fellow (PD)*, Nagoya University

April, 1995 – August, 1997, *Postdoctoral Research Associate*, Syracuse Univ., USA

September, 1997 – October, 1998, *Postdoctoral Research Associate*,
Univ. of North Carolina, USA

November, 1998 – October, 2001, *Assistant Professor*, Department of Physics,
Nagoya University

November, 2001, *Visiting Professor*, Korean Institute for Advanced Study, KOREA

December, 2001 – February, 2002, *Visiting Scientist*, Department of Physics and
Astronomy, State University of New York at
Stony Brook, USA

March, 2002 – September, 2002, *Visiting Professor*, Department of Physics,
Seoul National University, KOREA

October, 2002 – April, 2005, *Associate Professor*, Department of Physics,
Nagoya University

May, 2005 – present, *Professor*, Department of Physics, Nagoya University

Research

Theoretical Hadron Physics
