

Kenji HASEGAWA

Position	Research Assistant Professor
Lab/Group	Cosmology Group (C Lab)
e-mail ※	hasegawa.kenji{a}a.mbox.nagoya-u.ac.jp

※replace {a} by @

Education and Degrees

March, 2003, *B.Sc.*, College of Natural Science, First Cluster of Colleges of University of Tsukuba

March, 2008, *Ph.D.*, Doctoral Program in Physics, Graduate School of Pure and Applied Science, University of Tsukuba

Positions

April, 2008, *Postdoctoral Fellow*, Graduate School of Pure and Applied Science, University of Tsukuba

October, 2008, *Project Researcher*, Center for Computational Sciences, University of Tsukuba

April, 2010, *Researcher*, LERMA, Observatoire de Paris

September, 2011, *HPCI Strategic Program Researcher*, Center for Computational Sciences, University of Tsukuba

November, 2014 - present, *Research Assistant Professor*, Graduate School of Science, Nagoya University

Research

First star formation, galaxy formation, cosmic reionization, numerical simulations
