## Education and Degrees

April, 1992, entrance into the University of Tokyo

April, 1996, entrance into the Graduate School of Science, the University of Tokyo

March, 2001, Doctorial Degree for Science, the Graduate School of Science,  
the University of Tokyo

## Positions

April, 2001 – July, 2001, *Research Fellow* of the Japan Society for the Promotion  
of Science for Young Scientists, Institute of Space and  
Astronautical Science (ISAS)

July, 2001 – March, 2007, *Assistant Professor*, ISAS/JAXA

April, 2007 – December, 2017, *Lecturer*, Department of Physics, the Graduate  
School of Science, the University of Tokyo

January, 2018 – present, *Associate Professor*, Nagoya University

## Research

High energy astro-physics based on X-ray and Gamma-ray observations.  
Instrument development for Astronomical Satellites.
