Education and Degrees

March, 2003, *Bachelor of Science*, Department of Science, Kwansei Gakuin University

March, 2008, *Ph.D.*, Division of Particle Physics and Astrophysics, Graduate School of Science, Nagoya University

Positions

April, 2008, *Postdoc*, Astronomical Data Center, National Astronomical Observatory Japan

April, 2009, *Postdoc*, Department of Astronomy, Tohoku University

September, 2010, *Postdoc*, Kavli Institute for Physics and Mathematics of Universe, The University of Tokyo

May, 2013, *Designated Lecturer*, Institute for Advanced Research, Nagoya University (present position)

Research

observational cosmology, large-scale structure of the Universe, galaxy/cluster of galaxy evolution, statistical data analysis
