

# Yuki KATO

Position	Lecturer
Lab/Group	Photobioenergetics Laboratory (G Lab)
e-mail ※	yuki.kato{a}bio.phys.nagoya-u.ac.jp

※replace {a} by @

## Education and Degrees

March, 1999, Tokyo Institute of Technology, Graduated

March, 2004, Tokyo Institute of Technology, Doctor of Engineering

## Positions

April, 2004-March, 2012, *Research Associate*, Institute of Industrial Science,  
University of Tokyo

April, 2012-September, 2017, *Assistant Professor*, Graduate School of Science,  
Nagoya University

October, 2017-present, *Lecturer*, Graduate School of Science, Nagoya University

## Honors

2010, 5th International Congress of Photosynthesis, Poster Award  
(Govindjee Book Prize),

2017, Special Lectureship for Young Generations, the Chemical Society of Japan

## Research

Photosynthetic electron transfer and water oxidation mechanisms
