

# Hiroaki YAMAMOTO

Position	Assistant Professor
Lab/Group	Radio Astronomy Laboratory (A Lab)
e-mail ※	hiro{a}a.phys.nagoya-u.ac.jp

※replace {a} by @

## Education and Degrees

March, 2000, *B.S.*, Department of Physics, Nagoya University

March, 2002, *M.S.*, Department Physics, Graduate School of Science,  
Nagoya University

September, 2005, *Ph.D.*, Department Physics, Graduate School of Science,  
Nagoya University

## Positions

April, 2004 – September, 2005, *Research Fellow* for Young Scientists of JSPS  
(DC2)

October, 2005 – March, 2006, *Research Fellow* for Young Scientists of JSPS (PD)

April, 2006 – October, 2008, *Post-Doctoral Fellow*,

Nagoya University Southern Observatory

November, 2008, – present, *Assistant Professor*, Nagoya University

## Research

Study of molecular cloud formation using CO and OH emission. Interaction of  
micro-quasar jet with an interstellar medium
